Some of you know Brad Smith in Tulsa. He is in the hospital with respiratory distress. They're running tests and have him on a ventilator. He doesn't want any visitors, but he is in our thoughts and prayers.

I am so sorry to hear that Brad is in physical distress and wound up in the hospital. I hope him a speedy and complete recovery. He is in our thoughts and prayers as well. Norris

I don't think I should say just yet. Lots of tests and treatments and pokes and prods. It isn't a simple matter but me and all of his friends are confident he'll be on the mend soon.
