Hey Wayne,I'm gonna be right downstairs in Ste 404 at Lima. Mike says the stairs are right next to me, so gear and vinyl swapping should be easy.Try to keep the 1812 cannons down after midnight, ok big guy? ;-)Actually, speaking of wretched audio excess, do you remember the Reference Recordings DAFOS (45 RPM) album with Mickey Hart whompin' hell out of a drum he called "The Beast"? I'm bringin' a copy . . . Keep your ears and your mind open.
