Hi Gang,I just can't get over what a great time I had. Got to meet Wayne and Alona, Dave Cope and Ron. Get together with Bill E and Replay again. Mike Baker did a super job and is always fun to party with at the end of the day. It was great spending time with Gonefishin and the rest of the Chicago gang who took the time to stop by my room. I was a little nervous about doing the seminar thing but thanks to Dr. Till Epstein, I had a great time helping him out. Thanks to all who stopped by my room to listen and party. The pleasure was mine. Bill

Bill, If I was still not rising from the couch where I have been since getting home yesterday, I would have your horns hooked up. Alas, until I get the energy, I will have to settle for looking at them for now. You and your wife are great hosts, I look forward to seeing you both again :-) Tired Ron!

After all the conversations we've had on the telephone and online, I felt as though we'd known

each other for years. It was really great to finally meet you and Christy, but our time was much too short. I hope we can get together again, and maybe we can find ways to do it more often than once a year.But however often we are able to meet in person, I am glad that we have been able to visit online. This keeps us in touch, and I'm exceedingly glad of that.
