Thanks for the 7 plans, but I have noticed that the smallest dimension is the same as my front door opening! Could I have your 6 Pi plans for the 12" woofer? I saw some mention of a 5Pi 10" corner horn, but did not see it in the price list. Are the plans for the 10" Pi still available? If so, I would also be interested in these! Thanks for your time (and plans)

WaynePerhaps the 7 pi is not as large as I thought. In the price list it shows dimensions as 56x32x48. Looking at the plans the seven Pi doesn't appear to be that wide. Are these 32" wide?
Thanks, Russellc
