I might be selling off my two Kappa 18A's to buy an Aura 1808 I found for a good price, but I'm not sure yet. I'm wondering if anyone would be interested in buying a mint condition pair of Kappa 18A's (and I mean mint condition... one has been sitting in the box since I bought it, the one was taken out for a short time and has been packed up since). Anyway, I'd be willing to let them go for $85 each plus shipping, and I'm wondering if anyone is interested.And Wayne if this is out of line, feel free to delete...Adam
