Hi Wayne, I've been enjoying my Theater Pi 4's using the subwoofers that also act as stands for my BESL series 5 MTM speakers. I'd like to restore my series 5's and make a Pi woofer to go with my Theater Pi 4's. I read that you have some subwoofer plans... can you send them please? The 4's already take up alot of space, so if there's a choice, the smaller size might be better.Thanks again Wayne,Tom
