Hi,I just want everyone to know:I ordered some parts from Madisound, and they sent me the wrong items and also forget to send me a pair of 120uF caps. When I call them, they resend the wrong parts and also the caps with free, including the shipping cost using FedEx, and I lived in Indonesia!! The shipping cost alone will be around $50!!!! I really appreciate Madisound service!!Sorry Mr. Wayne if this post is out of the line, but I'm really happy and want everyone to know that:))))Regards,Gabriel
