Not a Rings fan, but I don't think I'm being too prejudiced to say that the best score of the year was 'Pirates'.

I agree. I liked Pirates. In fact, I've liked a whole lot of movies that Depp has been in. I don't know what he's like personally, and I hear a lot of rumbling about his politics and what-not. But I choose not to look at that - since I don't know him personally, I'm not gonna pay attention to rumor. Just like his movies.Did you see him in "The Ninth Gate"?

I'm not that interesting in the award, because acting isn't my field. But I do like seeing all the beautiful ladies.
