Agreat time. Thanks to Bill and Chris. Clockwise from left: Mike, Chris, Bill and GeorgeCreating is more like performing than listening

Man, that's great!!!Familiar faces.....I wish I was there!Let's do a "Great Plains Audiofest" this next spring and get together again. Since Baker isn't doing the deal in Lima, there's been some interest in putting together something in Tulsa. Already been some people working on it.

Thanks for dropping by! I think my stereo is finally working. It's just in a constant state of.... change. I picked up a little 8 watt stereo tube amp for the tweeters and moved the 300b to the mids. I think a western NY bottle head get together in January would be a good primer for Wayne's Tulsa get together in the spring
