I forgot that you were going to Italy. I hope you're having a great time there! A trip like that makes everything back here seem small, but I've got a lot of good small gossip to share with you when you get back.

Hi Wayne, Had a great time. Purchased some new equipment for increasing capacities in silver and gold wire. crazy business over there, always cool to get different perspectives from other countries. I think we have the best country right here to live and work. Bill

Glad to hear your back, safe and sound!! I'm due for a vacation, so I envy you. But I'm much too busy, so I envy you again!!!! I'll bet you're swamped too. It's gonna be hard to get back on the treadmill after a nice vacation in Italy! Write to me offline when you've rested. I want to fill you in on the latest stuff.
