Subject: DIY Racks Posted by jlharden on Thu, 13 Nov 2003 14:35:55 GMT View Forum Message <> Reply to Message

I walked into Menards one day and found over 400 square feet of 1/2" mdf on a cart marked:\$10 for everything. So what did I do? Took it home and tried to figure out what the heck I was going to do with all of it! Here's a couple of mdf projects. I'd like to make some hardwood racks, but for now these are doing a good job.
