Anybody listening to anything other than young girls with whispery voices doing bad jazz imitations? How about The Iguana's or the new Live Delbert McClinton or something with some meat on it. Jeez.

So, what you're saying is that you don't like young females?

Ok, this has your name on it. I've seen the act live 2x at adancehall called The Riverside in Green Bay WI. The writeup might be a bit dated, but hey, they do 40'sstyle swing like Lavay Smith. Also bought one of their cds at the show to support the music. My contact at Wisconsin Public Radio/Green Bay who does theblues show as a regional broadcast says they are stillcranking. This act, I think, will kick Delbert McClinton's ass.:-)lon@athenet.net

" I'd rather have two girls at 21 each than one girl at 42". W.C. Fields.
