Has anybody seen, or does anybody have a copy of the movie"evening in byzantium", from 1978, with Glenn Ford, and Erin Gray?. I have been looking for it for a LONG time. I last saw it in 1980, if i recall It is a mini-series about terrorists that hijack 3 planes, load them with stolen nuclear warheads, and plan to detonate them over the US(wasn't that ahead of its time?). If ANYONE has a copy of this, in VHS, DVD, or even Beta, I an interested!Thanks.
