I always liked this film, and it's not like so many other DVD's that might be good but only get played once. A Bridge Too Far is a long (3hr) movie that I just kinda like to see over and over again. Maybe it's the long list of stars, seems like everyone in Hollywood was in this film. Maybe it's the sound track, which does a good job of punctuating the scenes. Or maybe it's the banter between the British, Irish and Americans. I dunno, but I like it.
