Last night, Alona and I watched "Crazy People," probably the tenth time for me but the first for Alona. I had seen it several times, but not in many, many years. So it was really great to see it again.Remember this film? If you haven't seen it, it's a must see. Even if you have seen it, if it's been a few years, you might want to have another light-hearted moment and pick up a copy.Truth in advertising. What a concept.

Pretend you're one of the characters in the ward and you have to come up with ad ideas for hi-end audio manufacturers!
