I got your "you've got mail" message, but for some reason, the pi10 plans didn't get to my mail-box. Did it come back as undeliverable??Thanks!!!!John

Hi John,I didn't receive an error message from your account. But the plans are large enough that they usually exceed Hotmail size limits, especially free accounts. It would probably be best if you gave an alternate address,and I'd be happy to resend. You can write to me privately if you wish.Wayne
