Subject: pi 2 monitor...wayne and others- plans for 1 pi and 2pi monitor pls Posted by ImTweaked on Tue, 02 Aug 2005 13:36:35 GMT View Forum Message <> Reply to Message

I could not find the 1m/1watt spl data of this entry level speaker. Thinking of building it for son number 2. He has an unmodded Sonic Impact ampNumber 1 son has the upgraded vifa pi2 towers and real happy with itWayne TIA
