Not everyone is fortunate enough to have Royal Cable in their neighborhood. But there are worse things, like waiting for FEMA to help you! So, E-mail me with the word that you have sent \$20 bucks to the Red Cross and your address and I will send you a 10 foot pair of Royal Cable. I have 100' so 5 pairs are available. \$100 bucks from us good guys to the Red Cross.  
Red Cross

That's a nice thought, Bill. I already sent 'em a hundred bucks, but you've already sent me cable too. So save a spool for the next guy. Hey, you're going to RMAF, aren't you? Click some photos if you can, I'd like to see and hear about the show when you get back.

I gave \$30 to the collection at work. Our boss has offered to match 50% of all employee donations at each of our three locations. If everyone could get their employer to match it would help a bunch, I'm sure.

I have donated \$100 locally for the Katrina victims plus sent another \$200 to a friend and family in Katrina need in Mississippi. Of course in doing so my own rent is late but I felt I had to do something. I went through three hurricanes last year here in FL and lost my house and much of it's contents due to it all, so I have a bit of an idea of what they are going through. Great thoughts and idea here Bill, thanks. Noidster
