Been browsing. Send me plans on the 8pi and the 6pi. I've always preferred the sound of 2 ways, but I want to look. I've got a set of EPI's which I love, but after 25 yrs maybe it's time to look around. Thought maybe some horns after my experience with Bill's prosound horns.

They're on the way. Go for a pair of sevens, you'll love 'em.
