Understanding Engineers - Take OneTwo engineering students crossing the park when one said, "Where didyou get such a great bike?"The second engineer replied, "Well, I was walking along yesterdayminding my own business when a beautiful woman rode up on this bike.She threw the bike to the ground, took off all her clothes and said,"Take what you want."The first engineer nodded approvingly, "Good choice; the clothesprobably wouldn't have fit."_____Understanding Engineers - Take TwoTo the optimist, the glass is half full. To the pessimist, the glassis half empty. To the engineer, the glass is twice as big as itneeds to be._____Understanding Engineers - Take ThreeA priest, a doctor and an engineer were waiting one morning for aparticularly slow group of golfers. The engineer fumed, "What's withthese guys? We must have been waiting for 15 minutes!"The doctor chimed in, "I don't know, but I've never seen suchineptitude!"The priest said, "Hey, here comes the greens keeper. Let's have aword with him." "Hi George! Say, what's with that group ahead of us?They're rather slow, aren't they?"The greens keeper replied, "Oh, yes, that's a group of blindfirefighters.They lost their sight saving our clubhouse from a fire last year, sowe always let them play for free anytime."The group was silent for a moment. The priest said, "That's so sad.I think I will say a special prayer for them tonight."The doctor said, "Good idea. And I'm going to contact myophthalmologist buddy and see if there's anything he can do forthem."The engineer said, "Why can't these guys play at night?"_____Understanding Engineers - Take FourWhat is the difference between Mechanical Engineers and CivilEngineers?Mechanical Engineers build weapons and Civil Engineers build targets._____Understanding Engineers - Take Five"Normal people believe that if it ain't broke, don't fix it."Engineers believe that "if it ain't broke, it doesn't have enoughfeatures yet"_____Understanding Engineers - Take SixAn engineer was crossing a road one-day when a frog called out tohim and said, "If you kiss me, I'll turn into a beautiful princess."He bent over, picked up the frog and put it in his pocket. The frogspoke up again and said, "If you kiss me and turn me back into abeautiful princess, I will stay with you for one week."The engineer took the frog out of his pocket, smiled at it andreturned it to the pocket. The frog then cried out, "If you kiss meand turn me back into a princess, I'll stay with you and do ANYTHINGyou want."Again the engineer took the frog out, smiled at it and put it backinto his pocket. Finally, the frog asked, "What is the matter? I'vetold you I'm a beautiful princess, and that I'll stay with you for aweek and do anything you want. Why won't you kiss me?"The engineer said, "Look, I'm an engineer. I don't have time for agirlfriend, but a talking frog, now that's cool."
