Can someone please explain to me how one finds out about and accesses These tent sales? I can remember seeing them before, but now I find nothing about them on the JBL site. Does one need to just keep checking the JBL site for an announcement? Or is there a seperate link?thanks,Russellc

Hmmm, I dont see a "tent sale" icon, but adding /Tent_Sale/index.htm to the www.jblpro.com brings it up fine.Russystems
