Subject: Testing for T/S Posted by GarMan on Thu, 08 Jun 2006 16:49:08 GMT View Forum Message <> Reply to Message

Hi Wayne, In the link below, was there any damping and/or filling material in the test cabinet? I found a site with step-by-step and calculator for driver testing, but made no mention on the effect of bare vs. stuffed box. Testing for T/S

It was a bare box.
