Hy Wayne . I just found that the eminence Gamma 15A model exact as the Omega 15 Pro . My question Wayne is if could happen the same with Pi align program the specs of the Gamma are - Fs - 33 Hz , Re -5.98 , Qms-5.13 , Qes-0.32 , Qts-0.30 , Vas-314 l , Bl-17.2 , Xlim-11.8 mm , Slp-98.6 db , Z-8 ohm , Pwr-300 watts . Could be a substitute for the Omega in a Stage four . thanks
